# AMAZING RACE WELLINGTON

Come outside; the race is on!

This team building activity is a map-based game on tablets. Teams adventure around the Wellington CBD, completing a variety of physical and creative challenges by taking photos and videos.

Stretch your imagination and your legs while your team explores Wellington's many fascinating locations.

This activity is great with your mates or as a corporate team-building event.

We will need a location with A/V display for the debriefing. This is when we have a laugh at the pics and videos teams have created in the challenges, and give out bonus points for excellent submissions.

# AMAZING RACE WELLINGTON

The Amazing Race is a portable game played on tablets. Our host will arrive at a chosen location and tell your teams how to play, as well as hand over each team's equipment bag.

We can host up to 10 teams. They will have around two hours to complete the challenges. As they play, the host marks the photos and videos that teams have sent through their tablets in real time.

Depending on your package, you could also have a manned stop. An extra event host will greet teams at a location to really put their teamwork to the test with a more involved challenge such as a puzzle, obstacle course or coordination game.

The teams will reconvene at a location for the debrief, where the host will allocate points and bonuses. Before the winner is announced, the teams will view the pics and videos everyone created during the race.

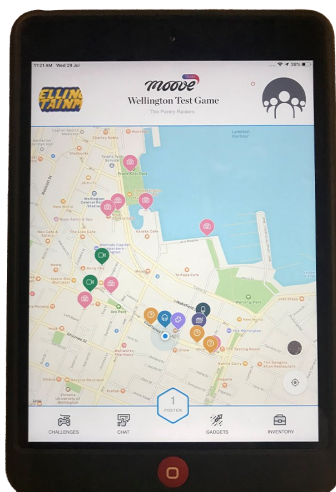

The debriefing location will require a screen for presentation. Please note: if you are holding this race further than fifteen minutes from Courtenay Place, the host may need a Wi-Fi connection at your chosen debrief location.

The Pow Wow Room is in the heart of Courtenay Place at number 74 right above Dakota Bar.

You can hire the room for your next party, celebration, or work event!

We also do live music performances and regular stand-up comedy shows.

We've hosted corporations and performers from all over New Zealand and we'd love to host your next event.

The Room has its own bar, with a great range of refreshments, and a maximum capacity of 80 people.

The Pow Wow Room is managed by Dakota, which means you get the fantastic service from one of the best party bars in town.

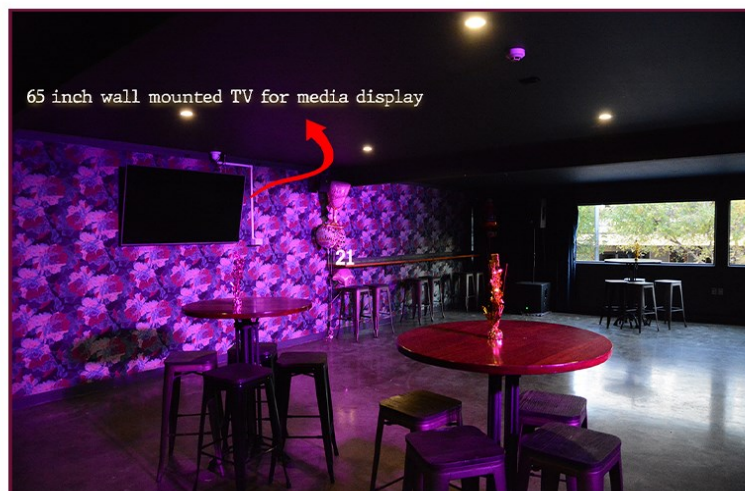

Our bartenders are enthusiastic and experienced, meaning your night will be amazing, and you'll remember it for years to come.

Bring balloons, cake and your friends.

Let's party!

#### Venue hire

We do not charge a "Venue Hire" fee when hiring out The Pow Wow Room; we only issue a minimum spend of \$1000 to go over the venue's bar. This secures the room for you from 5pm until midnight approx. We may be able to extend these times upon prior agreement/request.

#### Using our services

Once you have accepted the terms, a client portal will be created through our booking system. This system has forms we need you to fill out prior to your event. It contains questions regarding guest attendance, catering, and other necessary information. This ensures that we have everything sorted for your event.

You will also be able to access menus and floor plans through this system as well as make payments and talk to the team.

#### Deposit and payment

We require a 40% deposit to be paid once you have accepted the terms of hire. This is to be paid through your client portal. The remaining 60% is to be paid in full at least 1 month before your event. This will be done through your client portal as well.

#### Catering

We do not supply any in-house catering. Hot bar snacks are available for purchase over The Pow Wow Room's bar. For larger meals or spreads, we recommend you hire an external caterer.

We are happy to make suggestions and we can give you the contact details for several caterers who know our venue and our requirements. They also make delicious food, of course!

#### Equipment and furniture

You will find a full list through the client portal, but we are well equipped for media display and speeches.

#### Decoration

Decorations must not in any way damage the venue's aesthetics or structure. Hanging methods such as sticky tape, cello tape, duct tape, or thumb tacks must not be used on the walls. Methods such as Blue-tac, 3M hooks, and other paint-safe temporary adhesives are acceptable.

The two steel girders across the ceiling can be decorated in any temporary fashion.

NO glitter, confetti or anything similar may be used. You will be charged every hour it takes to clean this up if we find it in the venue after your event.

If you leave decorations in the venue with no express instructions to staff that you wish to keep them, we will dispose of them as we see fit.

#### License

The Pow Wow Room is a licensed premise and, as such, is subject to New Zealand's Liquor Licensing laws.

Minors must always be accompanied by their parent or legally appointed guardian while on the premises.

ID - Guests who appear to be under the age of 25 will be required to prove their age when asked with a valid HANZ 18+ card, current New Zealand Driver's License, or valid passport.

Water, soft drinks, and bar snacks are available. Intoxication will be monitored and managed according to the discretion of bar and venue staff. We reserve the right to refuse entry or service to any guests that are intoxicated or exhibit poor behavior.

#### The rest

Dakota - while we share a building, guests cannot move between the two venues with glassware or drinks. Beverages must be kept off the footpath. Guests must finish their beverages before moving between the venues.

Equipment - Please respect our space and equipment. You may be subject to pay for any willful or ignorant damage to our room, equipment, or any contents thereof.
